Winemaker Notes

The youthful, opaque, dark red-ruby hue of this wine precedes a captivating nose of jammy blackberries, black cherries, plums and hints of mint and dark chocolate. With pretty floral overtones, this vintage exudes a complex bouquet with candied fruit, anise and a nuance of dry citrus. Similar, even more concentrated flavors are found on the palate of this rich, full-bodied wine. The concentrated, long, graceful finish indicates exceptional aging potential. 90 Points (WS).

1999 Vintage

Beautiful spring weather and bud break in early March preceded a cooler than normal summer. Vine fertility was lower than 1998, and despite the smaller crop levels, most vineyards were slow to ripen due to the cool weather. Glorious fall weather pushed the grapes to perfect ripeness, resulting in a mid- to late October harvest of grapes that had an ideal combination of intense fruit and balancing acidity.

Spring Mountain Vineyard

Originally four individual historic Napa Valley properties, Miravalle, La Perla, Alba, and Chevalier have now been combined to create an 850 acre estate of forest and vineyard on the eastern slopes of Spring Mountain overlooking the small town of Saint Helena. Over 225 acres of the estate are planted to vine, creating 135 separate hillside vineyard blocks each with its own unique soil, exposure, and microclimate. The vineyard is planted in densities of 4,000 vines per acre and trained to the ancient gobelet form, a vertical trellising method that was invented in an earlier millennium by the Romans.
